Dear Bob:

Having had a chance now to catch up on my work and reflect a bit on the DEW Line trip, I want to thank you once again for giving me the opportunity of accompanying you and seeing some of the major developments in the Far North. I have had a chance to talk briefly with my bosses about this familiarization and I'm sure you will find us eager to add someone to your party the next time you invite us.

Besides the strictly technical features of the tour, I was also much impressed with your staff. Would you pass my thanks to Jack McFalls, Bob Campbell and the rest for their contribution (this has added meaning in Jack's case) to a memorable week's visit? Incidentally, I have some pretty fair slides to help me remember.

With kindest personal regards.

Sincerely,

Deputy Assistant Director
